ABOUT TAKSHASHILA UNIVERSITY

ABOUT THE FACULTIES

SCOPE OF THE CONFERENCE

The International Conference on Advancements in Computational Intelligence for Knowledge Discovery and Its Diverse Applications (ICCIKDDA'2025) will focus on data assimilation, computation, and information processing, aiming to enhance the capabilities of computers as intelligent systems through the latest technological advancements across various engineering and science disciplines.

This conference will serve as a significant platform to share cutting-edge technologies, innovative ideas, development updates, and research gaps in the deployment of Computational Intelligence for Knowledge Engineering and Discovery.

Participants will have the opportunity to discuss advancements related to the conference themes with academic researchers, scientists, and industry professionals. Authors and researchers working in areas related to the conference themes are invited to submit complete unpublished papers that are not under review by any other conference or journal.

CALL FOR PAPERS

Original technical submissions on, but not limited to, the following topics are invited:

- Foundations of Computational Intelligence
- Artificial Intelligence & Knowledge Discovery
- Neural Networks and Fuzzy Systems
- Machine Learning & Deep Learning
- Internet of Things
- Data Mining and Web Mining
- Big Data Analytics & Computational Intelligence
- Knowledge Representation & Semantic Web
- Multimodal Data and Cognitive Systems
- Computational Intelligence for Natural Language Processing
- Blockchain Technology
- Computer Vision and Its Applications
- Statistical Pattern Recognition
- Computational Intelligence in Robotics
- Applications of Mathematical & Statistical Models in Computational Intelligence
- Computational Biology & Bioinformatics
- Computational Intelligence in Social Media & Networks
- Future Trends and Challenges

GUIDELINES TO AUTHORS

- Similarity of your proposed research work with others should be less than 20%.
- All the Papers will be accepted after a double-blinded peer review.
- Best papers will be awarded with a cash prize along with meritorious certificates.
- Conference is conducted in blended Mode only for participants away from Tamil Nadu.
