University

Takshashila University was established by the Mailam Subramaniya Swamy Foundation in Ongur, Tinidvanam, Tamilnadu, with the vision of recreating the glory of the ancient Takshashila India's Oldest university of Higher learning.

Our Takshashila University with the primary aim of promoting academic excellence through rigorous programmes taught by eminent faculty and innovative teaching methods, including hands on learning and research. The university boasts state-of-the-art facilities, well-equipped classrooms, advanced laboratories, with a modern library. Its commitment to sustainability is evident through its greener campus. Leveraging decade-long experience and robust connections with industry-leading companies it strives to become one of the best universities in India, taking the utmost to provide an environment with International standard for comprehensive learning and training.

Chancellor's Message

Takshashila University was envisioned and established with the primary goal of imparting high-quality education to students, particularly with a focus on nurturing young minds at an early stage. This institution serves as a hub for intellectual growth, innovation, and holistic development. By emphasizing education during formative years, the university aims to cultivate a generation of critical thinkers and problem solvers who can address complex challenges with creativity and ingenuity.

The university's approach recognizes the transformative power of early education in shaping an individual's potential. By laying a strong foundation of knowledge, critical reasoning, and ethical values, Takshashila University equips its students to become trailblazers in their respective fields. Its commitment to fostering curiosity and innovation prepares students not just to excel academically, but also to contribute meaningfully to society.

By instilling a spirit of inquiry and resilience, Takshashila University is empowering young individuals to transform their aspirations into tangible realities. In doing so, it contributes to a brighter, more innovative future for both India and the global community.

In a country where education is held in very high esteem and the teacher is equated with God, we have dedicated ourselves to imparting quality education and also to developing the students to be responsible professionals and individuals. We are confident that our students equipped with such capabilities will emerge as valuable contributory assets to the development of the organisations they serve as well as to the nation.

Ms. Nila Priyadharshini Dhanasekaran,
Pro-Chancellor, Takshashila University

In a country where education is held in very high esteem and the teacher is equated with God, we have dedicated ourselves to imparting quality education and also to developing the students to be responsible professionals and individuals. We are confident that our students equipped with such capabilities will emerge as valuable contributory assets to the development of the organisations they serve as well as to the nation.

Shri. Rajarajan Dhanasekaran,
Pro-Chancellor, Takshashila University

We believe in "lifelong learning." Our motto is "Creating the Leaders of Tomorrow," hence we prepare today's students to meet the challenges of tomorrow.

Prof. (Dr). Vivek Inder Kochhar,
Vice Chancellor, Takshashila University

We are determined to provide our students with the best all-round education and to help them develop the necessary skills, knowledge, and attitude to be successful in their chosen fields.

Prof.(Dr). S. Senthil,
Registrar, Takshashila University

SCHOOL OF ENGINEERING & TECHNOLOGY

The School of Engineering & Technology is dedicated to cultivating a comprehensive knowledge on engineering principles and methodologies among its students. The School offers unique learning opportunities through Work-collaborated programs in partnership with KALVIUM and Industry-collaborated programs with esteemed organizations such as XEBIA, TRANSORG, IBM, and GEEKS FOR GEEKS.

The meticulously designed curricula of these engineering programs foster a dynamic learning environment that seamlessly integrates both theoretical concepts and practical applications. This approach equips students with the necessary skills and knowledge to excel in the contemporary professional landscape.

B. Tech – Computer Science & Engineering

B. Tech – CSE (AI&ML)

B. Tech - Artificial Intelligence & Data Science

B. Tech – Information Technology

B. Tech – Electronics & Communication Engineering

M. Tech – Communication Systems

M. Tech - Computer Science & Engineering

Work Integrated Programmes

B. Tech CSE (Quantum Computing) with NXTWAVE Disruptive Technologies

B. Tech Computer Science and Technology with SUNSTONE EDUCATION TECHNOLOGY

B. Tech CSE (Applied AI) with KALVI CARRER EDUCATION Private Limited

B. Tech CSE (AI & Future technologies) in tie up with KALVIUM

Industry Collaborated Programmes

B. Tech CSE (AI & ML) with XEBIA

B. Tech CSE (Full Stack Development) with GEEKS FOR GEEKS

B. Tech CSE (Data Engineering & Analytics) with TRANSORG

B. Tech CSE (Cyber Security) with IBM

B. Tech AI & DS with IBM

What is Work Integrated Program ?

approach that combines academic learning with practical, hands-on experience in a professional work environment. It allows students to apply theoretical knowledge gained in the classroom to real-world situations, enhancing their skills and preparing them for future careers.

What is Industry Collaborated Programs?

programs developed in partnership between academic institutions and industry organizations. These programs aim to bridge the gap between theoretical knowledge and practical skills by aligning educational content with industry requirements.

SCHOOL OF ARTS & SCIENCE

BASIC SCIENCES

Ph.D. Programme:
Mathematics,
Chemistry
Physics

PG Programme
M. Sc – Maths
M. Sc – Physics
M. Sc – Chemistry

UG Programmes
B. Sc – Maths
B. Sc – Physics
B. Sc – Chemistry

COMPUTER SCIENCES

Ph.D. Programme
Computer Science

PG Programme
M. Sc – Computer Science (AI & DS)
MCA – Master of Computer Applications
MCA (Datascience with TRANSORG)

UG Programmes
BCA - Bachelor of Computer Applications

MBA E-Commerce & Digital Marketing with FACEPREP

Work Collaborated Programmes
BBA – Retail Operations Management with RASCI (Apprenticeship with STIPEND from FIRST SEMESTER Onwards)

SCHOOL OF AGRICULTURE

UG Programme
B. Sc. (Hons.) Agriculture

B.Sc. (Hons) Agriculture Science program is designed to equip students with a comprehensive understanding of the scientific principles and practices underpinning modern agriculture. This four-year program provides a comprehensive understanding of agricultural sciences, encompassing soil, plant, animal sciences, and more. Students can gain wider practical skills and knowledge to address contemporary agricultural challenges. Graduates are well-prepared for diverse careers in the sector.

SCHOOL OF NURSING

B. Sc. Nursing

The School of Nursing offers aspiring healthcare professionals, an exceptional foundation for rewarding careers in patient care. A hallmark of the program is its strong emphasis on experiential learning, seamlessly integrating theoretical knowledge with extensive hands-on instruction and clinical experiences. This practical approach provides students with ample opportunities to apply their learning within authentic healthcare settings, fostering critical thinking, clinical judgment, and effective decision-making skills.

SCHOOL OF PHARMACY

B.Pharm - Bachelor of Pharmacy

The B.Pharm program provides a rigorous foundation in the core principles of pharmaceutical sciences. The curriculum encompasses a comprehensive range of subjects, including Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs.

Students gain in-depth knowledge through a combination of theoretical instruction and extensive practical experience. This includes hands-on training in pharmacological screening, biological standardization, in vivo drug interaction studies, and the production, formulation, and analysis of a diverse array of pharmaceutical and herbal medicinal substances.

SCHOOL OF ALLIED HEALTH SCIENCES

Allied Health Sciences play a critical role in addressing the evolving complexities of modern healthcare. The rapid advancements in medical technology and research have led to the emergence of numerous specialized disciplines, each demanding rigorous training and dedicated study.

The School of Allied Health Sciences offers a dynamic learning environment for aspiring healthcare professionals through its three-year undergraduate programs.

UG Programme

- B. Sc – Radiography & Imaging Technology
- B. Sc – Cardiac Technology
- B. Sc – Medical Lab Technology
- B. Sc – Physician Assistant
- B. Sc – Optometry
- B. Sc – Operation Theatre & Anaesthesia Technology
- B. Sc – Cardiac Perfusion Technology
- B. Sc – Clinical Embryology (Subject to Approval)

SCHOOL OF PHYSIOTHERAPY

UG Programme

BPT-Bachelor of Physiotherapy

Physiotherapy emphasizes non-surgical healthcare approaches to improve patient well-being. Our program integrates theory and practice, covering core physiotherapy courses alongside extensive pre-clinical, para-clinical, and clinical experiences.

Students engage in a multifaceted learning environment, including lectures, lab work, clinical training, seminars, and research. This rigorous approach cultivates essential skills and prepares graduates for successful careers in physiotherapy.

Takshashila University is committed to provide a comprehensive and supportive campus environment. Student well-being is paramount, with an on-campus hospital ensuring immediate access to quality health-care.

State-of-the-art laboratories across various disciplines, from computer science to health sciences, offer invaluable hands-on learning experiences.

Convenient and reliable transportation services ensure easy access to campus, while secure and comfort-able on-campus housing fosters a supportive living environment.

To promote holistic development, top-tier sports facilities cater to a wide range of indoor and outdoor activities and competitions.

A diverse food court and meticulously maintained grounds contribute to a vibrant campus atmosphere. Access to these amenities is streamlined through a specialized multi-purpose ID card provided to all students, staff, and faculty. This card facilitates cashless payments, attendance tracking, library access, and other services, enhancing the overall campus experience.

AMENITIES OF OUR UNIVERSITY

Placement and Training at Takshashila University is dedicated to equipping students with the skills, knowledge, and opportunities required for a successful career. We act as a bridge between the university and the industry, ensuring students receive the best training, mentorship, and placement support. Our goal is to prepare students not just for jobs but for long-term career growth in an evolving professional landscape.

Objectives

1.Enhancing Employability: Providing industry-oriented training to make students job-ready.

2.Industry-Academia Collaboration: Establishing strong connections with leading companies to facilitate job and internship opportunities.

3.Continuous Assessment & Skill Tracking: Monitoring student progress through assessments and personalized improvement plans.

4. Internship & Job Placements: Assisting students in securing internships and full-time positions in reputed organizations.

5. External Partnerships for Training: Collaborating with expert trainers and industry professionals for effective learning outcomes.

6.Holistic Career Development: Organizing guest lectures, industry visits, and interactive workshops to provide real-world exposure.

1. Campus Recruitment & Placement Drives

The Career Services Centre organizes both on-campus and virtual recruitment drives, ensuring students have access to top-tier job opportunities. We work closely with leading companies to provide:

• On-Campus & Pool Campus Placements
• Virtual Placement Sessions
• Pre-Placement Talks & Corporate Interactions
• Memorable Collaborations with Industry Leaders

2. Training & Skill Development Programs

To ensure students are industry-ready, we offer a range of training programs facilitated by external training partners and industry professionals which is monitored by a dedicated Internal team to ensure the effectiveness and outcome of the trainings. These include:

• Technical Training: Programming, AI/ML, cloud computing, and domain-specific skills.

• Soft Skills & Personality Development: Enhancing communication, leadership, and teamwork.

• Mock Interviews & Resume Building : Practical sessions for cracking job interviews.

• Aptitude & Logical Reasoning Training: Focused preparation for competitive exams and job placements.

• Continuous Assessment & Skill Tracking: Regular evaluations to monitor progress and ensure effective learning.

3. Internship Assistance & Live Projects

Internships provide invaluable hands-on industry exposure. We collaborate with leading organizations to offer internship opportunities across various sectors, helping students:

• Gain practical experience and industry insights.

• Develop problem-solving and project management skills.

• Enhance their employability with real-world work experience.

4. Career Counselling & Personalized Mentorship

TRAINING AND PLACEMENT

OUR LEADING RECRUITERS

Making informed career choices is crucial. Our placement coordinators provide one-on-one mentorship on:

• Career paths and job opportunities.

• Higher education prospects in India and abroad.

• Preparation for government exams and competitive tests.

• Entrepreneurship and startup mentorship.

5. Guest Lectures, Industry Visits & Corporate Engagements

To give students first-hand exposure to industry trends, we arrange:

• Guest Lectures by Industry Experts to share real-world insights.

• Industry Visits to provide practical exposure to corporate operations.

• Networking Events & Panel Discussions with top professionals.

• Memorable Collaborations with start-ups, MNCs, and thought leaders for enhanced learning.

Strategic Industry Partnerships & Recruiters We have a growing network of industry partners and recruiters, including :

IT & Software – TCS, Infosys, Wipro, HCL, Accenture Banking & Finance – ICICI Bank, HDFC, Axis Bank, Wells Fargo Healthcare & Pharma – Apollo Hospitals, MIOT Hospitals, Kauvery Hospitals, Dr. Reddy's Retail & E-commerce – Amazon, Flipkart, Reliance Retail Additionally, we are expanding our partnerships with corporate leaders to enhance student learning and placement opportunities.

The Placement at Takshashila University
The Placement and Training at Takshashila University is committed to shaping future professionals by providing world-class training, industry exposure, and placement opportunities. We believe in creating not just careers but leaders of tomorrow!

100% Placement Assistance for eligible students

Expert-Led Training Programs through external collaborations

Continuous Skill Tracking for personalized improvement

Industry Exposure through Guest Lectures & Visits

Strong Network of Corporate & Alumni Connections

CAMPUS LIFE AT TAKSHASHILA

Experience a vibrant and dynamic campus life at Takshashila University, where creativity flourishes and cultural diversity is celebrated. Engage in a thriving social scene with exciting music festivals, engaging art exhibitions, and cherished annual traditions that foster community and connection. Explore diverse cultural groups, discover new hobbies, and broaden your horizons through a wide range of opportunities for personal growth. With cutting-edge facilities and a supportive environment, Takshashila University provides the ideal setting for both academic and personal success.

Takshashila University hosted the first ever sports meet KHELO TAKSHASHILA 2024 with the motto of Powering Passion for Sports on April 6, 2024, at the premises of the University. The event celebrated the spirit of sportsmanship, teamwork, and physical fitness, bringing together students, faculty, and staff for a day filled with energy and excitement, show-casing the remarkable talents of Takshashilites. At Takshashila University, we firmly believe that edu-cation and sports go hand in hand to shape well-rounded individuals. Our focus on sports not only complements academic learning but also prepares students for a successful and balanced life. By nurturing both the mind and body, we aim to create future leaders who excel in every aspect of life

Highlights

Torch-Bearing Ceremony: A Grand Beginning

A key highlight of KHELO TAKSHASHILA was the Torch-Bearing Ceremony, symbolizing the spirit of sportsmanship and unity. The ceremony began with the torch being carried by selected student representatives, passing through the hands of all six house captains.

The final handover of the torch was made to the Pro-Chancellor, Dr. D. Nila Priyadharshini, who proudly ignited the ceremonial torch, marking the official inauguration of KHELO TAKSHASHILA. The flame, symbolizing determination, persever-ance, and the unifying power of sports, set the tone for a day of enthusiastic participation and memorable achievements.

Following the torch lighting, the event transi-tioned into the Grand March-Past, where all six teams showcased their discipline, unity, and pride as they paraded across the field. The synchronized movements and vibrant team banners added to the spectacle, setting the tone for a day of enthusiastic participation and healthy competition.

This grand tradition not only highlighted the importance of teamwork but also underscored Takshashila University dedication to fostering excellence in sports and holistic developments.

Over six days, a series of 34 events had been organized,

KHELO
TAKSHASHILA
2024
Powering Passion for Sports

KHELO TAKSHASHILA was a resounding success, embodying the true spirit of sportsmanship and unity. It not only provided a platform for showcasing athletic talents but also reinforced the importance of balancing academics with physical well-being. The events left everyone eagerly looking forward to the next edition of

KHELO TAKSHASHILA

A university prominently located for your convenience

Our university is strategically located on the Chennai-Trichy National Highway, offering excellent connectivity. You can reach the metropolitan city of Chennai within a couple of hours and the culturally rich and traditional city of Pondicherry in just an hour. The location of our university provides significant advantages, granting access to corporate hubs, entrepreneurial centers, and major industries in Chennai, Pondicherry, Villupuram, and beyond. Additionally, Central Tamil Nadu is just a two-hour drive from our campus, making it a prime location for academic and professional opportunities."

TAKSHASHILA UNIVERSITY

Takshashila University aims to promote academic excellence through rigorous programmes taught by eminent faculty and innovative teaching methods, including hands-on learning and research
