16. Strength and Weaknesses of the University

16.1	Strengths of the University	<p>It can bridge various fields, including agriculture, technology, humanities, health, rural economics, and social sciences, to effectively address the needs of the rural community.</p> <p>It is a multidisciplinary university as well as encourages interdisciplinary programmes and break down traditional barriers.</p> <p>Since the university situated in more than 150 acres of land, it has sufficient spaces to establish good infrastructure, such as Quarters for employees, green campus, sports facilities, green energy, etc.</p> <p>Since the university situated on side of the National Highway and about 90 kilo meters from Chennai Airport, it has good accessibility for the stakeholders.</p> <p>By offering higher education at reduced tuition, accommodation, and living costs, Takshashila University can attract students from diverse socioeconomic backgrounds, particularly those in rural communities.</p> <p>Additionally, because of its rural location, the university is often prioritized for funding and infrastructure improvements by initiatives like RUSA and PMKVY.</p>
16.2	Weaknesses of the University	<p>Many of the students are first-generation graduates from rural areas.</p> <p>The residents of Villupuram, where the university is located, come from educationally disadvantaged districts.</p> <p>Takshashila University is newly established in a rural setting.</p> <p>Providing easy access to advanced technologies poses a significant challenge.</p> <p>Additionally, it is a challenging task to recruit qualified personnel who meet current standards.</p>
